REFER A FRIEND

PROGRAM OVERVIEW

The Refer a Friend program is offered to current and new members paying full published membership rates. It can not be used in conjunction with Income Based Membership, Y@Work Corporate Membership or scholarship assistance.

New Members:

- Must be new membership unit to qualify; adding household members onto a current membership unit does not qualify.
- Payment for new membership must be annual full-pay, bank draft or credit card draft.
- Membership is counted by household unit, not by the number of people in a household.
- If the new member is a former member of the Y, he or she must have cancelled the membership a minimum of 90 days prior to rejoining as a referral.
- The new member must notify the Y Service Desk of the referral **at the time of joining**. This offer is not retroactive if a referred member joined and did not give name of referring member at the time of joining.
- If a new member joins during a YMCA membership promotion, the current member will receive a free month for the referral and the new member will either pay no activation fee or receive the benefit offered during the promotion, not both.

Current (Referring) Members:

- Current Y members receive one free month for each new referred membership unit sold.
- Current members will receive their free month after the new member has had a non-discounted membership for three continuous months. Credit will be applied at next membership renewal date.
- Referrals must be new membership unit; adding household members to a current membership unit does not qualify.
- Membership is counted by household unit, not by the number of people in a household.
- The referring member will receive one free month of membership equal to the out-of-pocket amount he/she pays monthly.

Additional Notes:

- No cash back will be issued for the Refer a Friend program. If a member terminates their membership or loses membership privileges before receiving his/her free month(s), he/she will lose free month(s).
- The Y reserves the right to deny free month(s) if the referral program appears to be abused by either the new or current member. The spirit of the program is to reward true referrals.
- Rules are subject to change.
