

ABOUT OUR PROGRAM GUIDE

We work hard to continue to develop new programs for all our members. As our program guide continues to grow, we know it is sometimes challenging to find programs for your family when organized by activity rather than age. We have aligned our program guide to be organized by age. We believe this is an easier way to search through a wide variety of program offerings in one section rather than looking through the entire guide.

Most programs are offered monthly except for youth sports leagues and other seasonal academies and clinics.

BEFORE & AFTER SCHOOL CHILDCAREANURTURING ENVIRONMENT FOR CHILDREN

Our program focuses on youth development because we believe your child deserves the opportunity to discover who they are and what they can achieve. The Y is guided by four core values: caring, honesty, respect, and responsibility. We will work with you everyday to help your children have fun while realizing their potential.

Our before and after care sites are available to students in the Illinois Quad Cities area through school districts and delivered and administered by the Two Rivers YMCA.

SCHOOLS OUT CLUB-

HERE FOR YOU WHEN SCHOOL IS OUT

Children from all school districts can enjoy a day at the Y when school is not in session due to school holidays, seasonal breaks, intercession, and institute days.

The Y provides care at our facility for these special days in an environment that is safe and children can learn practical and social skills under the leadership of our staff. We will keep your children busy with sports, arts, crafts, games, swimming, service learning, and field trips.

If the Y facility is closed for any reason, the SOC program will not be available. For participants enrolled in our Before and After School programs, half day programs are offered at school sites on early dismissal days. We must have five children registered to hold the program.
